

# HBCU Collaboration Hubs

# Transforming the Contracting Experience at HBCUs

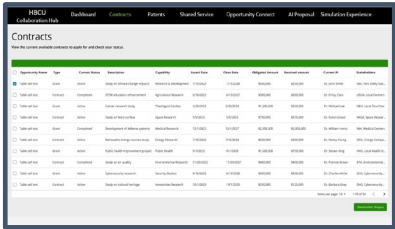

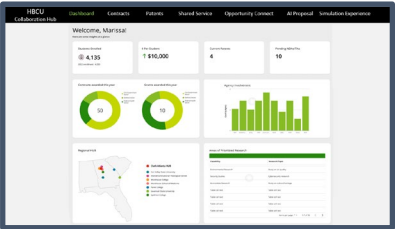

Aligning current research colleges and universities to HBCUs with an R2 designation to develop regional HBCU Collaboration Hubs. HBCUs will utilize the R2s as a contracting hub to develop their skillsets and knowledge on federal contracts.

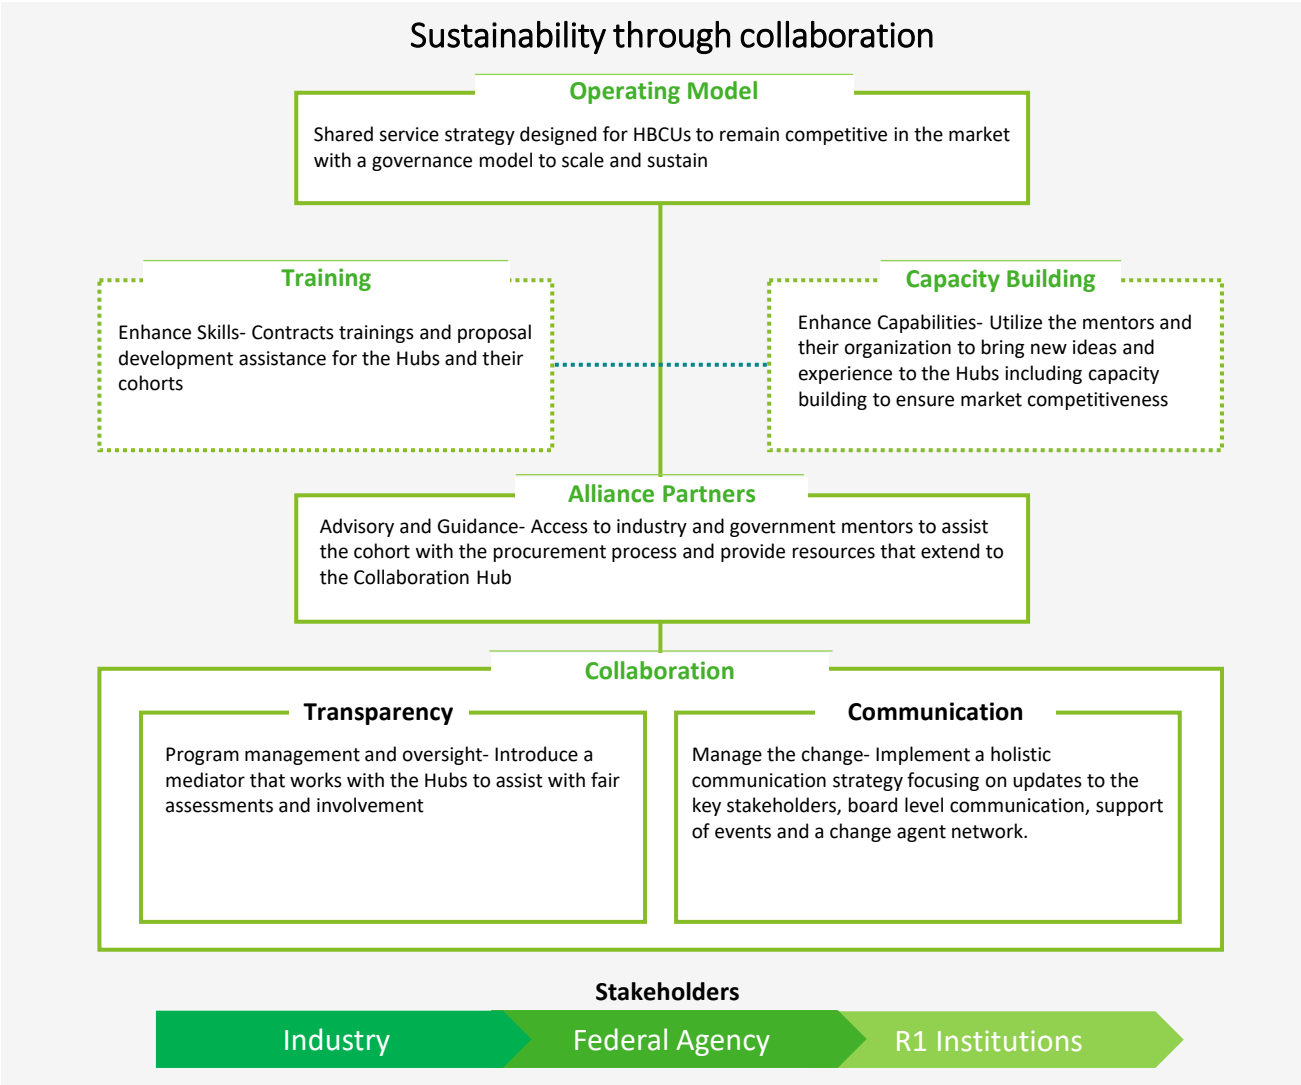

## Main objectives

-  Establish regional contract insight hubs using current R2 HBCUs
-  Develop training and capacity-building programs
-  Foster collaborative research and development initiatives

### Innovation

Integrate innovative tools into the collaboration hub to create greater visibility and encourage teaming
